

**FEDERAL JUVENILE ACCOUNTABILITY BLOCK GRANT (JABG)
PROGRAM
FY2007 JABG AWARDS TO UNITS OF LOCAL GOVERNMENT**

The following lists units of local government funded with FFY05 JABG in SFY07, the units' direct formula allocation amount and summary of services funded.

1ST Judicial District - \$8,521 Cash Match \$947 Total \$9,468

1. Leavenworth and Atchison County combined their direct formula allocation amount in SFY06 to fund the Leavenworth County Dept. of Juvenile Services Conditional Release Program. Funds will be used to support the Conditional Release Officer in Leavenworth and Atchison County. The Officer monitors a youth's conditions of release upon release from Intake and Assessment up to the youth's first court appearance.

For additional information, call 913-684-0303.

2nd Judicial District - \$4,201 Cash Match \$467 Total \$4,668

2 The 2nd Judicial District will partially fund the Juvenile Intake and Assessment Case Management Program (CMgT). CMgT facilitates accessing support services by referring to counseling and community services. CMgT concentration is on social skills, life skills, counseling, accountability and responsibility through the behavior contract. Behavior contracts are for 30 days and progress is measured periodically through case manager and parent evaluation of expected and demonstrated behaviors stated in the contract. Contracts can extend up to 180 days.

For additional information, call 785-364-5369.

3rd Judicial District - \$43,904 Cash Match \$4,878 Total \$48,782

3. The Shawnee County Family Resource Center will use grant funds to support the Immediate Intervention Program (IIP) Coordinator position. The IIP is a program offered through the District's Attorney's Office and operated by Juvenile Intake and Assessment to youth who are first-time offenders. If the youth completes the agreed upon contract, the District Attorney will not file charges. The goal of the program is to reduce the number of youth who are first-time offenders to receive formal charges.

For additional information, call 785-233-8856, ext. 7810.

4th Judicial District - \$6,871 Cash Match \$764 Total \$7,635

4. 4th Judicial District Community Corrections will use grant funds to fund two (2) Community Service Work Coordinators to continue to operate the Community Service Work Program. The program assists youth under supervision in the District with the coordination and completion of their assigned community service work hours. Program objectives include the expansion of community service work opportunities in each county served; increase of referrals into the program; and increase of youth to successfully complete their community service work hours. Coordinators coordinate and monitor the youth's community service hours and assignments, increase number of participating community service work sites and supervise community service work sites.

For additional information, call 785-229-3510.

5th Judicial District - \$7,895 Cash Match \$878 Total \$8,773

5. The 5th Judicial District Community Corrections will use grant funds to compensate Night Light Officers performing supervision for high-risk / high-need youth during weekend and evening hours to reduce the number of youth found to be in violation of their probation conditions. Night Light Officers will visit 95% of the youth on intensive supervised probation and conditional release, including youth in the community and in the custody of the Juvenile Justice Authority. Additionally, the program will be used as an internal sanction for youth assigned to standard probation.

For additional information, call 620-341-3294.

6th Judicial District - \$5,175 Cash Match \$575 Total \$5,750

6. The 6th Judicial District Community Services will use grant funds to fund a Prevention Specialist position to maintain the Street Law Program. The program is an interactive educational program intended to encourage a reduction in recidivism among youth referred to the juvenile justice system, as well as to discourage high-risk youth from engaging in behaviors that result in law enforcement intervention. Youth receive practical knowledge and information about the law, legal system and the fundamental principles of democracy, providing an opportunity for learning important life skills, including problem solving, critical thinking, conflict resolution, participation, communication, and the ability to see multiple perspectives on issues. Curriculum is taught through debate, discussion, dispute resolution, mock trials and moot courts with instructors ranging from lawyers, judges, juvenile officers, police, legislators to other professionals committed to encouraging positive change and contact between youth and community members. Classes are offered throughout the year, with an average of thirteen participants per course. Program objectives include: 1) 95% of participants will demonstrate mastery of effective communication and problem solving skills and 2) 90% of participants will not commit an offense during enrollment in the program or within one year of successful completion.

For additional information, call 913-294-2997.

7th Judicial District - \$9,493 Cash Match \$1,055 Total \$10,548

7. Douglas County Youth Services will use grant funds to fund two (2) Pre-Filing Diversion/Conditions of Release Case Managers to maintain the Pre-Filing Diversion/Conditions of Release (PFD/COR) Program operated by The Shelter, Inc. The program gives access to services and intensive supervision to alleged offenders shortly after they are identified through Intake and Assessment, and allows first-time and low-level offenders an opportunity to avoid prosecution, thus avoiding formal charges and court costs. Case Managers assess an alleged offender for eligibility into the program, provide appropriate supervision of youth released from Intake on Conditions of Release up until the first court appearance or adjudication, and provide appropriate supervision for alleged offenders approved for the PFD program by the District Attorney's Office.

For additional information, call 785-843-2085.

8th Judicial District - \$7,216 Cash Match \$802 Total \$8,018

8. The 8th Judicial District and City of Junction City combined their direct formula allocations in SFY06 to continue to fund the Truancy Reduction Program operated by Geary County USD 475. Since its inception, the program has played a major role in keeping elementary, middle and high school students in school. School personnel work collaboratively with families, law enforcement, County Attorney, Juvenile Intake and Assessment, and Community Corrections in addressing truancy through an interagency operational information-sharing system to enable partner agencies to make better-informed decisions regarding youths. In SFY06, the program projects to serve 350 elementary/middle school, 425 high school students and 125 youth who have been court ordered to attend Day Reporting due to delinquent behavior.

For additional information, call 785-762-4679.

9th Judicial District - \$7,061 Cash Match \$785 Total \$7,846

9. Harvey/McPherson County Community Corrections will use grant funds to continue to maintain and operate the Teen Court Program. The program is an accountability-based program enabling the District Court and Probation Officers to be more effective and efficient in holding youth accountable and reducing recidivism. The program functions as an alternative to first-time and subsequent misdemeanor offenders, ages 10-17, from entering the formal juvenile justice system and serves as a community-based intervention/prevention response to youth, with the communities youth determining the appropriate sanctions. Referrals are received from the County Attorney, City Prosecutor and school officials. The program goal is to serve 60 first-time and subsequent misdemeanor offenders in SFY06.

For additional information, call 316-283-8695.

10th Judicial District - \$60,254 Cash Match \$6,695 Total \$66,949

10. Johnson County will use grant funds to continue to maintain the Functional Family Therapy (FFT) program operated by Intensive Family Counseling. The program targets court-involved youth and their families referred by Dept. of Corrections, Court Services, Johnson County Juvenile Intake and Assessment or the District Attorney's Office. The program projects to serve 32 youth between the ages of 10-17 and their families. The program strives to reduce the number of youth entering the juvenile justice system; reduce the number of youth on intensive supervision, probation, and diversion who are adjudicated on new charges; prevent younger siblings of court-involved youth from entering the system, and prevent out-of-home placements for court-involved youth. Counselors provide 12-18 in-home family counseling sessions to participating families over a period of three-six months. Key outcomes include stronger familial relationships, reduce negativity and reduce blaming and hopelessness within the family. These outcomes are achieved by strengthening communication skills, teaching parents effective responses to problem behaviors and assisting family members to create a strong support system within the community. FFT is a Blueprint Program for Violence Prevention, and has been proven to effectively reduce adolescent violent crime, aggression, delinquency and substance abuse. 5% of the award will be used for administrative costs for United Community Services to provide local oversight of the grant.

For additional information, call United Community Services at 913-438-4764.

11th Judicial District (Cherokee/Labette County) - \$5,287 Cash Match \$587 Total \$5874

11. Cherokee/Labette County will use grants funds to fund contractual services of the Cherokee County Day Reporting Program operated by Family Life Center, Inc. Grant funds will also assist Labette and Cherokee County Juvenile Services to provide electronic monitoring of youth monitored by Labette and Cherokee County Juvenile Services. The Day Reporting is 5-days a week in Cherokee County and 2-days a week in Labette County. The program is offered 2-3 hours a day and provides life skills, group processing, substance abuse prevention, homework time and recreation for a 6-month period. Electronic monitoring house arrest is provided 24-hours a day, where youth are monitored on leave from home restricted to necessary and approved assignments. Electronic monitoring is ordered in 30-day terms with review at end of each term. Program outcomes include 1) 80% of youth participating in the Day Reporting and 2) 80% of the youth placed on Electronic Monitoring will not be convicted of a new charge while participating in the programs, and 3) 80% of youth participating in the Day Reporting and 4) 80% of the youth placed on house arrest will remain in their home or current placement during their participation in the program. Twenty (20) youth will be served by the Day Reporting Program projects, with 30 youth to be placed on house arrest during the award period.

14th Judicial District - \$5,759 Cash Match \$640 Total \$6,399

15. The Family and Children Service Center will use grant funds to maintain the Asst. County Attorney to continue the Prosecutorial Interrogation Plan of the Immediate Intervention and Truancy Immediate Intervention efforts. The vision and mission is to develop and coordinate programs that ensure healthy development of children and their families and reduce the incidences of problem behavior within their communities. The Asst. County Attorney is housed at the Family and Children Service Center, allowing the coordination of efforts and information to formulate more effective plans in dealing with youth in an expedient manner. IIP is offered to youth that are first-time misdemeanor offenders offering them an alternative to receiving formal charges. The Asst. County Attorney guides the IIP contract, with sanctions assigned to the youth's plan. If the youth is successful, he/she is deterred from the regular court process. The TIIP is a three-prong approach addressing the problem of truancy. Youth served are truant youth, ages 5-18. Services include intensive supervision of the child, support and therapy services for the youth and support and education services for the family. The youth, parent and/or guardian, and the Asst. County Attorney enter into a contract. The Asst. County Attorney reviews the conditions of the IIP and TIIP contract through the contract period.

18th Judicial District - \$91,827 Cash Match \$10,203 Total \$102,030

18. The Sedgwick County Dept. of Corrections will use grant funds to retain the Diversion Manager position which oversees the juvenile diversion programs of the 18th Judicial District. These three juvenile diversion programs aide in eliminating truancy and reducing recidivism among first-time offenders charged with felony and/or misdemeanor offenses, or students referred

for truancy, by providing youth an opportunity to accept responsibility for their crimes or truant behavior; to receive rehabilitative services and sanctions; to provide restitution or other restorative measures to victims and to alleviate the stigma and lasting effects of a formal adjudication of guilt or a Child in Need of Care petition and to preserve scarce judicial resources. The Diversion Manager reviews cases referred for consideration, monitors participants' behavioral contracts and handles all administrative duties of these programs.

19. The Sedgwick County Dept. of Corrections will use grant funds to cover existing personnel shortfalls within the Juvenile Case Management (JCM) Programs. JCM will provide community-based supervision and services to Sedgwick County youth and families to enhance public safety and employ effective correctional practices. JCM provides supervision, case management and treatment facility placement to youth in state custody and youth committed to a juvenile correctional facility. Program activities include (1) evaluation/assessment, case planning, monitoring of compliance with court orders and case plans and direct supervision and counseling with the youth, (2) referrals/placement to appropriate social services/mental health services and treatment facility placements, drug/alcohol testing, electronic monitoring, job readiness training and independent living skills development.

For additional information, call 316-660-7019.

19th Judicial District - \$3,438 Cash Match \$382 Total \$3,820

20. Cowley County Youth Services will use grant funds to supplement purchase of services to contract with secure transport drivers. Transportation will be provided to JJA custody youth to and from court and placement to ensure their mandatory attendance at required activities.

For additional information, call 620-221-3454.

20th Judicial District - \$9,277 Cash Match \$1,031 Total \$10,308

21. The 20th Judicial District's Juvenile Services will use grant funds to fund a portion of the Project S.T.A.Y. (School Truancy Alternative for Youth) Case Manager with the Project S.T.A.Y. Program. Project STAY serves as an intervention program for truant youth in the District referred by the school district, SRS, Juvenile Court, or families seeking voluntary assistance for their child. The program offers a wide variety of support services to the youth and family, including initial and on-going assessments and referrals to community-based organizations based upon the youth and/or family needs. Referrals may include individual and family therapy, drug/alcohol testing, treatment and/or counseling, or indigent health care. The program offers Youth Awareness Classes, Parenting Classes in English and Spanish, and tutoring. Case Managers provide intensive case management through at least two semesters of school, daily verification of youth's school attendance and weekly meetings with the youth and family for the first 30 days or as often as needed. Case Managers also conduct random urinalysis testing on all clients over the age of 10. The program aims at providing youth the opportunity to achieve academic success, experience long-term social independence and become productive members of society.

For additional information, call 620-793-1930.

21st Judicial District - \$7,391 Cash Match \$821 Total \$8,212

22. Riley County Community Corrections will use grant funds to supplement continuation of the Juvenile Intake and Assessment Case Management (JIACM) Program. Since it's inception, the program has provided direct intervention to a high volume of youth referred due to substance

abuse, school performance and familial relations concerns. Continuation of the program addresses the issues shared by many at-risk youth. JIACM is a non-traditional intervention program that implements strength-based case management techniques in a variety of ways to manage at-risk behavior to reduce arrest or recidivism. The Case Manager attempts to empower youth and families by identifying and enhancing strengths and resources by assisting youth and families to identify, secure, and sustain the range of resources, both external and internal, necessary to function in a normal interdependent manner within the community. Participation in the program is for a 120-day period. Case Managers assess for substance abuse, verify school attendance on a weekly basis, conduct Strengths Assessment and Personal Plan with families, and monitor progress to help maintain direction, encourage participation, and celebrate successes. The Case Manager plans for termination of services and encourages self-sufficiency and competent parenting; attempting to leave the family with a thorough knowledge of community resources.

For additional information, call 785-537-6380.

22nd Judicial District - \$2,636 Cash Match \$293 Total \$2,929

23. The 22nd Judicial District Juvenile Services will use grant funds for transport services of JJA custody youth. Youth will be transported to detention and/or correctional facilities. Court hearings are encouraged via phone to eliminate the necessity of transport between court and placement facility. In instances where teleconferencing is not an option, funds will assist in transport of youth to court and back to placement facility.

For additional information, call 785-742-3650.

24th Judicial District - \$1,725 Cash Match \$192 Total \$1,917

24. The 24th Judicial District Community Corrections will use grant funds to continue the Artistic Alternatives Program. The program is a continuation program that provides a two-level, 24-week program for youth, 13-18, placed on probation for criminal behavior and displaying strong favorable attitudes towards alcohol, tobacco and other drugs. Level I is an intervention based treatment, with Level II allowing participants to serve as mentor to youth involved in Level I. Referrals come from Court Services, Juvenile Intensive Supervised Probation, County Attorneys and/or JJA Case Managers. The program develops cultural, cognitive, emotional and behavioral competencies, while holding youth accountable for their actions. Creative self-expression through the arts is used as an alternative to using drugs, alcohol and tobacco.

For additional information, call 620-285-3128.

25th Judicial District - \$11,546 Cash Match \$1,283 Total \$12,829

25. The 25th Judicial District Youth Services will use grant funds to promote systems change through the automated interagency information sharing among representatives from the courts, detention, school districts, county attorneys and law enforcement. A District 25 committee will be formed to establish protocols for information sharing among partner agencies through automated data collection. The protocol will be submitted to JJA for approval. Further, grant funds will be used to secure licensing and equipment to ensure all agencies involved with youth who offend have training and access to the automated database system.

For additional information, call 620-271-6200.

26th Judicial District - \$5,570 Cash Match \$619 Total \$6,189

26. The 26th Judicial District will use grant funds to increase the number of on call part time intake officers throughout the district in order to reduce response time, reduce costs and to promote efficiency. Provide reimbursements to locally trained personnel who can respond within 30 minutes throughout the 6 county district whenever a youth is identified as needing intake and assessment/screening. Other services provided include referral and prevention information, information gathering and facilitating communication.

27th Judicial District - \$8,883 Cash Match \$987 Total \$9,870

27. Reno County Court Services will use grant funds to maintain the Probation Officer housed at the satellite court services office on the campus at Hutchinson High School. Approximately 60% of youth (31% of the total average daily juvenile caseload) attend Hutchinson High School. The School District has seen the direct benefits of the program in recent years. Some of the documented benefits include: 1) schools have the information needed to know which students are under the Court's jurisdiction; 2) schools have information regarding the conditions of the student's probation and violations can be addressed immediately; 3) schools have an early intervention resource for attendance related problems; 4) schools have a resource to administer drug testing to probation youth, and 5) the school is equipped with additional staff to enforce Hutchinson High School rules and policies. Since it's inception, Court Services has experienced a reduction in caseload and increased contact with youth placed under the court's supervision. The officer also provides education to school personnel about the duties, functions and also the limitations of the juvenile justice system.

For additional information, call 620-665-8800.

28th Judicial District - \$14,621 Cash Match \$1,625 Total \$16,246

28. The 28th Judicial District Community Corrections will use grant funds to help continue the Community Intervention Program (CIP) Case Manager position. The goal is to provide pre-trial and condition violator supervision and services, continue to keep detention bed space available for high-risk youth, and keep youth under supervision and less likely to commit additional crimes. The program provides accountability-based supervision and services to youth, ages 10-23, residing in Saline/Ottawa County. Participants reside in Saline/Ottawa County, ranging in age from 10-23 who are either pending disposition in Juvenile Court or are on Community Corrections supervision and need increased supervision/services to avoid a court referral for revocation and placement into a correctional facility. Youth generally are referred to the program upon their first court appearance. Services, including mental health, substance abuse, life skills group and leadership programs, are provided to youth and their family at no cost. All youth assigned to program receive risk/needs assessment, referral to services, support to families, and effective and expeditious court hearings.

For additional information, call 785-826-6590.

29th Judicial District - \$40,637 Cash Match \$4516 Total \$45,153

29. The 29th Judicial District will provide a graduated sanctions program for all juvenile offenders on Intensive Supervision Probation, Conditional Release, pre-trial, pre-sentence, Court Services probation and Case Management. These youth need a higher level of supervision, but should not

be housed in the Juvenile Detention Center. If they continue to offend, they will be placed in a JDC. Offenders must be under the supervision of Court Services or Community Corrections to be eligible for House Arrest. 200 youth will be served during the funding period. Previously the JABG program funded an array of graduated sanctions including a condition violator's court and a community service program. With the reduction of JABG funding only the House Arrest program survives.

30th Judicial District did not submit a JABG application for SFY 2007

31st Judicial District waived its JABG award, which was distributed among the remaining judicial districts.
